Letter of Authorization

Issued by: *Springboard Biodiesel, Inc. – California, USA*

Date: 5 Nov 2025

Ref. No.: SB/INTL/2025/REG-KSA

TO WHOM IT MAY CONCERN,

This letter serves to formally confirm that Springboard Biodiesel, Inc., located at 2323 Park Avenue, Chico, California 95928, USA, hereby appoints and authorizes Eng. Ahmad Al-Kofahi as the official and exclusive Regional Representative of Springboard Biodiesel, Inc. in the Kingdom of Saudi Arabia and the Gulf Cooperation Council (GCC) countries. This authorization is issued pursuant to the resolution of the company's Executive Management and in direct coordination with Mr. Matt Roberts, Chief Executive Officer of Springboard Biodiesel, Inc., for the purpose of enabling Eng. Ahmad Al-Kofahi to represent the company in the region within the scope defined below.

Scope of Authorization

Eng. Ahmad Al-Kofahi is authorized to undertake the following activities on behalf of Springboard Biodiesel, Inc. within the Kingdom of Saudi Arabia and the GCC region:

1. Negotiate and liaise with governmental and regulatory authorities, including ministries, environmental agencies, and relevant official bodies, regarding all matters related to biodiesel systems, technologies, and products offered by Springboard Biodiesel.
2. Engage with local and regional investors and present investment opportunities related to the supply, installation, and operation of BioPro™ and SpringPro™ systems.
3. Sign preliminary Memoranda of Understanding (MoUs) and non-binding commercial agreements for joint projects or representation purposes, within the limits of the authority granted herein.
4. Supervise and coordinate the preparation of technical and commercial studies, proposals, and investment documentation between the company's headquarters in California and local partners in the Kingdom.
5. Appoint local representatives or temporary consultants, when necessary, subject to prior coordination and approval by the company's Executive Management in the United States.

Validity Period

- This authorization shall be effective from Nov 2025 and shall remain valid for a period of 18 months, renewable upon written approval from the Chief Executive Officer of Springboard Biodiesel, Inc.
